

The Wichita Area Benefit Professionals are proud to offer comprehensive sponsorship opportunities for the WABP Symposium and the WABP Golf Tournament for 2023. These new packages allow you, our sponsors, visibility to our membership throughout the year.

Each package features your logo on the WABP website and the opportunity to provide speakers and content for CE for WABP members throughout the year.

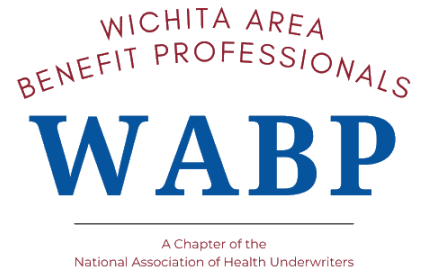

Our Symposium attendees represent the full spectrum of our membership from carrier representatives, benefit consultants, Medicare representatives and HR specialists. Those that attend the symposium are eager to learn about new legislation that affects our industry, the latest trends and enjoy the opportunity to learn about new resources, products, and services from our exhibitors.

The Golf Tournament attendees of carrier representatives, benefit consultants, and Medicare representatives have the opportunity to network in a laidback environment. It's a fun day on the course competing in a different way than normal with our industry peers!

Please review the attached sponsorship opportunities. If you have any specific questions, please contact Jalaa Miller at jalaa.miller@imacorp.com or 316-266-6594.

Thank you and we look forward to partnering with you in 2023!

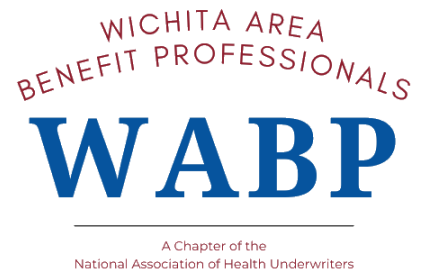

The WABP Board
